

20th September 2022

Dear Parents/Carers/Grandparents

Family Learning: KS2 Science “Fun with Forces” Workshop Wednesday 19th October 9.00am to 10.30am

Would you like to have the opportunity to work with your child in school?

We have booked the family learning tutors from Halton Borough Council to run a **KS2 Science “Fun with Forces” Workshop** here at school. **The workshop will take place on Wednesday 19th October from 9.00am to 10.30am.**

During the session you will be invited to join your child for a variety of fun practical activities based around the KS2 Forces Science Curriculum. The investigation based tasks will provoke discussion between you and your child in a relaxed, inspiring atmosphere.

Activities will focus on:

- Friction slopes
- Magnetism
- Forces in action
- Famous scientists

Please note spaces are limited and will be allocated on a first come, first served basis.

Unfortunately we are not able to offer a crèche facility and therefore cannot accommodate younger siblings in the sessions.

If you would like to attend please login to the School Gateway and book a place using the ‘Clubs’ option. Bookings are open now.

If you are unable to book online or are having difficulty with the School Gateway please contact the office for support.

We look forward to seeing you!

Yours sincerely

Miss E Jackson
Headteacher
